The premium tables show 2019 monthly premiums rounded to the nearest dollar. Premium is the monthly amount charged to a policyholder for insurance coverage. These premiums are shown by plan and area for the specific ages shown. Other ages, dental premiums, smoking surcharges, cost sharing small group options, and any premium subsidies or other financial assistance are not shown.

Cost sharing includes deductibles, copays, and coinsurance. The cost sharing in this summary applies to "in-network" services only. Out-of-network services have higher cost sharing.

To determine your individual premium, look for the area or county of your primary residence.

NOTE:

- This table does not include every possible monthly premium.
- These premiums are subject to change.
- Review actual policy language and plan details for deductibles, copays, and coinsurance information; provider networks; out-of-network coverage; excluded benefits; etc.
